Please listen to the story “**The Selfish Giant**” read by me and we will read it together during our Zoom meeting.

Por favor escuchen el cuento llamado “El Gigante Egoísta”, leído por mí, así lo leemos juntos en nuestro encuentro por Zoom.

Once upon a time, there was a giant, who lived in a castle. The giant had a beautiful garden full of grass, flowers and trees.

One day, he decided to visit his giant friend far away in the mountains.

While the giant was away, the children played in the garden everyday after school. They were very happy.

After seven years, the giant came back to his castle. When he saw the children in his garden, he was very angry.

The giant shouted: "Go away and never come back. This is my garden and nobody can play here!"

He built a high wall all around the garden and wrote a sign in big letters: "KEEP OUT"

He was a very selfish giant, he only liked himself and nobody else.

The children were very sad.

The winter came and after the winter, it was the spring again. The grass was green with beautiful flowers everywhere, but the giant's garden was still covered with snow and ice.

The Spring didn't enter the giant's garden, because there was a big sign. The flowers didn't grow there, because there were no children playing there.

The giant was very sad and unhappy and asked himself: “Where is the Spring? Why is there always snow and cold wind around the garden? What is going on?” He didn’t understand.

One morning, the giant saw the children entering the garden again.

The children were playing again, climbing the trees in his garden. The trees were green again and there were flowers in the grass below.

The giant said to himself: “I was very selfish” and he went out of his castle.

The children were very happy to see the giant coming out of his castle. He played with them and helped a little child climb a tree.

The giant and the children played all day long. When the children went back home, the giant destroyed the big sign.

The giant learnt not to be selfish anymore and the children played everyday after school at the giant's beautiful garden again.
