

How does Evie get to school?

By bike? By bus? By car? By train? By boat?

By skateboard? By helicopter?

Read the text again and choose the right answer.

1) Her mum/dad drives her to school.

2) She walks to school.

3) She walks up to the bus-stop and the bus drops her just outside the school.

Now, how do you get to school?

How children get to school around the world

Means of Transport

Aeroplane
