

Yummy

*Hello everyone!!!!*

*This is my last letter before the Winter Holidays. I know that you talked about some delicious recipes. I love cooking too. Food will be the new topic. This week you will have interactive activities, drawings, games and workshops. You are going to do the workshops in class. You don't need to send the activities by mail. You are going to correct them in class.*

*You can prepare games too.*

*Enjoy, Felix*
