- ❖ *Watch them ALL and choose ONE to work on.*
- ❖ *Imagine you meet ONE of these children.*
- ❖ *Write FIVE questions you would ask him/her about their daily life.*

You don't need to send these questions, but we will talk about them in our Zoom meeting, so have them ready.

Answer the questions

- 1) Which words would you use to describe these ways of getting to school? Write at least 5 words.*
- 2) Would you like to use any of these ways?*
- 3) How do you imagine the children in Colombia go back home?*
- 4) What do you think would happen in case of an accident in any of these situations?*
- 5) I know you haven't got to school by any of these means but, have you ever tried any of these things as a game?*
