

*Helloooooooo! Welcome back!*

*Did you rest? Did you sleep a lot? I really want to know about your holidays. I know that we couldn't travel but I'm sure you did interesting things.*

*Let me tell you that **I DID** something really **AMAZING!!!!** You won't believe it. But guess what? I'll tell you next week. So this week you can start thinking about questions to ask me!! I will be ready to answer. May be you guess.*

*I will leave a **WORD BANK** with verbs that you can use when you tell me about your holidays.*
