PART 2

When the prince and the children arrived on the island, King Minos and his daughter Ariadne came to say Hello. The Princess didn't say anything but she wrote a note for Prince Theseus.

Dear Theseus,

I am a beautiful princess but I am a very bored princess. If I don't help you the Minotaur will eat you! I know a trick that will save your life. If I help you kill the Minotaur, you must promise to take me away from this small island. If you say yes I will see you at the Labyrinth in one hour.

Prince Theseus left the palace and waited for the princess. She carried a sword and a ball of string.

"Thank you", said the prince.

The princess said, " Don't forget your promise. You must take me with you so that the people see how beautiful I am."

The next morning, the prince and the children went to the maze. The door was locked. Theseus tied the string to the door. He told the children to check the string so that he could find his way back. The prince entered alone.

Theseus found his way and killed the monster with the sword. He followed the string back and knocked on the door.

Ariadne was there. They all ran to the ship and sailed away.

On the way home they stopped to buy food on the small island of Naxos. Ariadne went down the ship for a walk. She got bored and fell asleep. Theseus and the children silently got on the ship and sailed away. They left Ariadne on that Island. People saw a beautiful princess sleeping on the beach. "After all, a deal is a deal ". He said.
