

Alice's Adventures in Wonderland

Chapter 5.

1. Questionnaire...

- a. What is the first question the caterpillar asks Alice?
- b. Why does Alice feel confused?
- c. What will the caterpillar turn into?
- d. Why do you think Alice is angry?
- e. What happens if Alice eats the mushroom?
- f. Where is Alice going next?

2. Summary of events.

Can you add the missing information?

When Alice is walking she meets a Caterpillar. The Caterpillar is on a mushroom. He is smoking a

The Caterpillar asks Alice: '..... ?'

Alice is very confused because she is always

Alice cannot answer the 's question so she

The Caterpillar calls her back and tells her, '..... '

Then the Caterpillar says to Alice, 'One of the mushroom will make you smaller and one side will make you' So Alice eats a of each side of the mushroom until she is back to her height.

Then she decides to look for the beautiful

She sees a small and so she a bit of mushroom to make herself

3. Choose a scene from the story (it can be from chapters 1-5) to represent.

- Photograph: try to copy the scene using things (and people!) from your house and take a picture
- Collage: use pieces of paper, newspaper, magazines, cloth or anything you've got!
 - Sculptures: using clay, play dough or other.
 - You've got another idea? You're welcome to do it!
