

Read the information and make stick drawings showing the sports and games.

Entertainment & Sports. Games & Activities

Archery, spear throwing, swordplay, wrestling, fist fighting, stone throwing, stone lifting, running and jumping were all very popular.

Everyone played including women and kids. Skiing and skating were winter sports.

Storytelling, feasting, and poetry were also major forms of entertainment.

All Vikings, women, men, and kids loved games of agility, games of balance.

Board games and dice games were very popular.

They liked music and storytelling.

The games prepared them for combat.

Kids played with homemade whistles, wooden dolls, balls, and model boats.
