

A lush tropical waterfall cascading over rocks in a dense forest, with the text "NATURAL RESOURCES" overlaid in the center. The scene is filled with vibrant green ferns and moss-covered rocks, creating a serene and natural atmosphere. The waterfall is the central focus, with water flowing smoothly over a series of rocks. The surrounding forest is dense and verdant, with various types of ferns and other tropical plants visible. The lighting is soft and natural, highlighting the textures of the water, rocks, and foliage. The text "NATURAL RESOURCES" is centered in a bold, black, sans-serif font, providing a clear and direct message about the image's theme.

NATURAL RESOURCES

Natural resources come from nature

They are things people can use

Water

**A continuous
process**

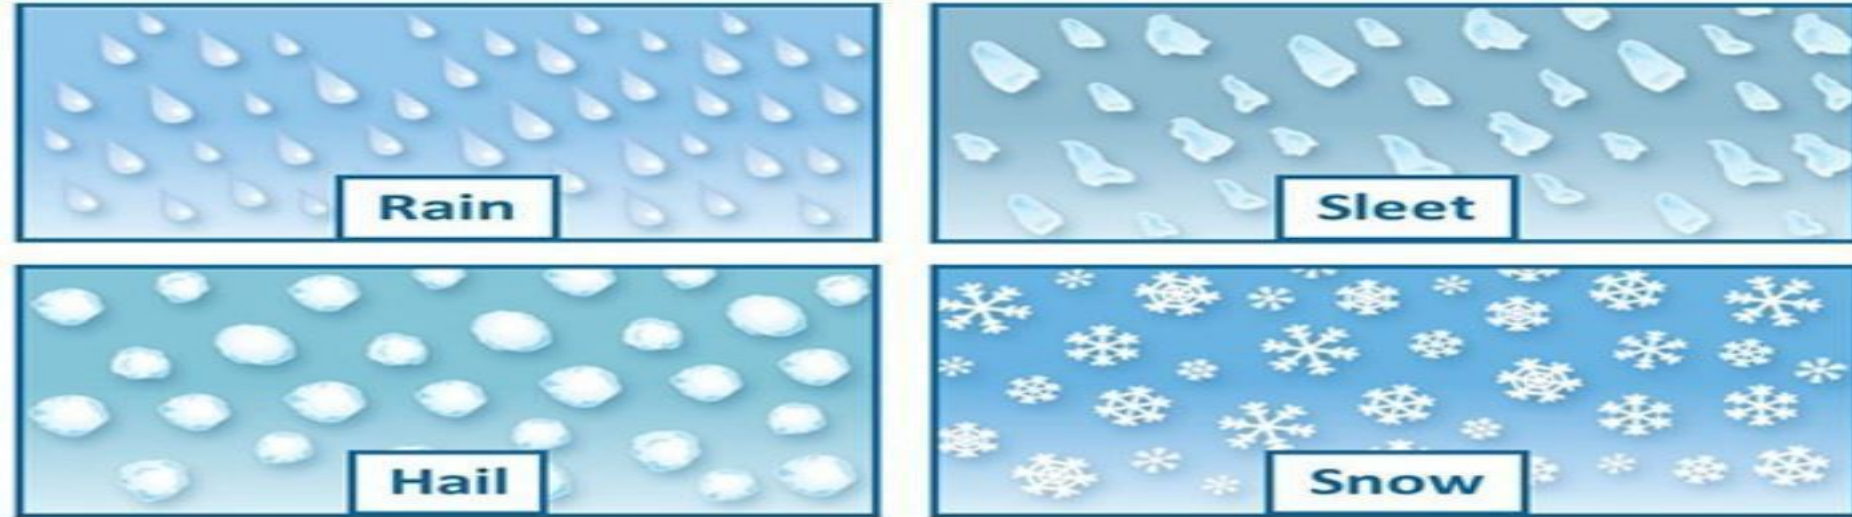

Water for drinking

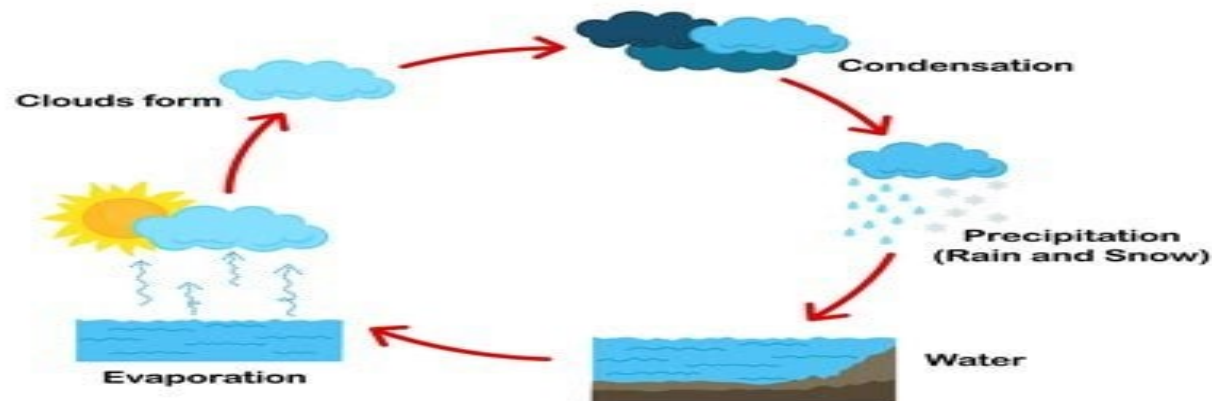

Water for plants

PRECIPITATION

When the **CLOUDS** can't hold anymore **WATER** inside

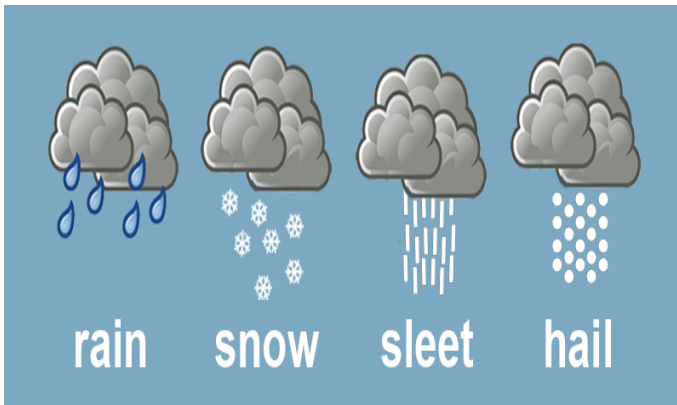

A CONTINUOUS PROCESS

EVAPORATION

CONDENSATION

PRECIPITATION

COLLECTION

SUBLIMATION

Sometimes **WATER** turns into **VAPOUR**
without melting into **WATER**

SUBLIMATION happens a lot in **cold places**

BARILOCHE, Argentina

PARIS, France

TRANSPIRATION

Plants **sweat**

TRANSPIRATION happens a lot in **hot places** with **TREES**.
That's why it **rains more**

MISIONES, Argentina

AMAZON, Brazil

THE WATER CYCLE
