

Callum goes to the bedroom.

Callum is sleepy. Cathy is sleepy too.

Oh no! There are caterpillars **everywhere!**

On the bed and under the table and in the wardrobe!

Callum goes to see the little red fairy.
He is not happy!

Hello again.
What's the matter?

I'm sad.
There is no
space for me!

The fairy helps
Callum again.

Shake your arms,
One, two, three,
Stamp your feet,
Now come and see!

The fairy opens the door and...

Let's see!
