

HI SOPHIE AND CHILDREN,

How are you? I was trying to get home when I received a letter from SANTA CLAUS.

SANTA needs help this year with the presents, and I want to help him. He said that for Xmas he will take me home to you Sophie!!!! I'm so happy!!!

SANTA started reading some wish lists that children have already sent. I made friends with the reindeer. We are packing the presents.

SANTA says that CHRISTMAS is celebrated differently in different parts of the world. That's interesting!!!

Santa is taking me somewhere.....I think it's a surprise.

HERE I LEAVE YOU SOME XMAS WORKSHOPS.

See you soon! FELIX
