

The Rodeo

The rodeo is in town! I can't wait to see the cowboys ride the bulls. There are many people. They are happy and shout. Everyone is having fun. At the rodeo the cowboys have to try to stay on the horse and the cow. They have to be careful that they don't fall down. The cowboys are very strong. For the rodeo they put on their best shirt. They clean the saddle and the horse very good. I can't wait to watch them.
