

Your Favourite, My Favourite

What's your favourite food?
And your favourite number, too?
What's your favourite colour?
Tell me about you!

My favourite food is chocolate.
My favourite number is three.
My favourite colour is green,
And my favourite person is me!

My favourite food is ice-cream.
My favourite number is two.
My favourite colour is pink,
And my favourite person is you!

My favourite food is pizza.
My favourite number is ten.
My favourite colour is yellow,
Now say the rhyme again!
